

User's Guide for

**Electronic Temperature
Fork and Spatula**

EXCALIBUR

ELECTRONICS, INC.

www.ExcaliburElectronics.com

Model No.: 809-1

Congratulations on your purchase of the Electronic Temperature Fork and Spatula from Excalibur Electronics. This advanced fork and spatula set will help you cook your meat safely, and will ensure that your food is cooked just the way you like it.

Read this manual thoroughly especially safety and care instruction. Keep this guide for reference. The package contains 1 Fork, Spatula and User's Guide.

BATTERY INSTALLATION

The Electronic Fork and Spatula each require 2 AAA batteries for operation. The battery compartment is located on the underside of the handles.

1. Remove the battery compartment cover.
2. Insert 2 AAA batteries, making sure to match the polarity (+ and -) as shown on the inside of the battery compartment.
3. Replace battery compartment cover.

OPERATING YOUR FORK AND SPATULA

1. Press the **MEAT/ON/OFF** button to turn on (Press and hold the **MEAT/ON/OFF** button for 1 second to turn off the unit).
2. Press the **MEAT/ON/OFF** button to select your meat type. A red indicator light will illuminate to show which meat type you have selected. Continue pressing the button to cycle through the different types of meat.

3. Press the **TASTE** button to select your favorite tenderness.
4. Insert the temperature probe into the thickest part of the meat. On the fork these are the pointed ends (tines) of the fork itself. On the spatula, this is the pointed end that is at a 90° angle from the spatula itself. A beep will sound and the LCD will blink when the meat has reached its assigned tenderness.

NOTE: Use the chart on the following page to help determine just how cooked you want your meat.

CELSIUS AND FAHRENHEIT

Push the C°/F° button that is located on the back of the unit just below the battery compartment to select between Celsius and Fahrenheit

SAFETY AND CARE

- Never submerge in water or other liquids
- Clean with soapy water or damp cloth after use
- Never leave fork or spatula in meat while cooking
- Always use standard AAA batteries
- Do use rechargeable batteries or mix batteries

MEAT TYPE	RARE	MEDIUM RARE	MEDIUM	WELL DONE
Beef	140	145	160	171
Lamb		151	160	171
Pork			160	171
Chicken				180
Turkey				180

Note: Temperatures shown here in Fahrenheit.

90-DAY LIMITED WARRANTY

EXCALIBUR ELECTRONICS, INC., warrants to the original consumer that its products are free from any electrical or mechanical defects for a period of 90 DAYS from the date of purchase. If any such defect is discovered within the warranty period, EXCALIBUR ELECTRONICS, INC., will repair or replace the unit free of charge upon receipt of the unit, shipped postage prepaid and insured to the factory address below.

The warranty covers normal consumer use and does not cover damage that occurs in shipment or failure that results from alterations, accident, misuse, abuse, neglect, wear and tear, inadequate maintenance, commercial use, or unreasonable use of the unit. This warranty does not cover cost of repairs made or attempted outside of the factory.

Any applicable implied warranties, including warranties of merchantability and fitness, are hereby limited to 90 DAYS from the date of purchase. Consequential or incidental damages resulting from a breach of any applicable express or implied warranties are hereby excluded. Some states do not allow limitations on the duration of LIMITED 90-DAY WARRANTY implied

warranties and do not allow exclusion of incidental or consequential damages, so the above limitations and exclusions in these instances may not apply. The only authorized service center in the United States is:

Excalibur Electronics, Inc.
13755 SW 119th Ave
Miami, Florida 33186 U.S.A.
Phone: 305.477.8080
Fax: 305.477.9516
www.ExcaliburElectronics.com

Ship the unit carefully packed, preferably in the original carton, and send it prepaid, and adequately insured. Include a letter, detailing the complaint and including your daytime telephone number, inside the shipping carton. If your warranty has expired and you want an estimated fee for service, write to the above address, specifying the model and the problem.

NOTE: Please do not send your unit without first receiving an estimate for servicing from EXCALIBUR ELECTRONICS, INC. Contact us before sending your unit. We cannot store your unit!

Excalibur Electronics, Inc. reserves the right to make technical changes without notice in the interest of progress.
