Product highlights

Steam tip

The unique steam tip combines a particularly pointed front of the soleplate with special elongated steam slots in the tip, to reach right into the smallest and most difficult areas for the best ironing results.

Automatic safety shut-off

The electronic safety shut-off automatically switches the iron off when it is left unattended or tips over.

SteamGlide soleplate

The specially designed soleplate combines small vents for superior gliding on all fabrics and large vents for powerful crease removal.
