

The **510Ub** LCD display makes it easy to keep track of your workout with a bright blue LCD display and real-time feedback. An integrated multi-speed fan helps keep you cool while a built in USB port lets you charge most personal electronics. The headphone jack lets you play your mp3 music through the built-in speakers during your workout.

- The 510 series console with mp3 connectivity offers users the ability to broadcast their favorite tunes through the integrated speaker system
- Diamondback Fitness' personal cooling fans lets you vary the fan speed during your workout
- Fold-out magazine rack holds your favorite magazine during your workout and folds away when not in use
- Adjustability: tilt the console and handlebar angle for a customized fit
- Target Heart Rate programs and hand grip sensors help keep the workout intensity in the target zone
- QuickSet program keys help you start your favorite workout programs with a single touch
- Scrolling message center guides you through program set up
- Twenty workout programs and 16 levels of resistance provide a wide variety of workouts for all users
