

Innov-ís 4000D

The Ultimate in Sewing & Embroidery

The **Innov-ís 4000D** is quite simply the most innovative sewing and embroidery machine ever. Sew or embroider at speeds up to **1,000 stitches per minute** on one of the largest embroidery fields in the industry (nearly **12 x 7 inches**). Choose from a large selection of embroidery designs, which covers every style including classic, romantic, modern and so much more. Simply touch the **oversized color LCD screen** to select embroidery patterns, stitches, powerful editing features, tutorials and more.

Now you can achieve professional looking results and quality from the comforts of home with the Innov-ís 4000D. It has fully acquired the fundamentals and basics of sewing and embroidery for you and knows how to make your sewing project easier.

Use your imagination to make your home décor, fashion and original creations truly your own. Our state-of-the-art technology makes your sewing easier, more satisfying and more creative than ever.
