

## ADESSO WARRANTY

---

ADESSO provides a limited warranty against defects in materials and workmanship for a period of ONE YEAR from the date of original retail purchase.

If you discover a defect, Adesso will, at its option, repair or replace the product at no charge to you, provided you return it during the warranty period with transportation charges pre-paid to Adesso. You must contact Adesso at [support@adesso.com](mailto:support@adesso.com) for a Return Merchandise Authorization number (RMA) prior to returning any product. For each product returned for warranty service, please include your name, shipping address (no P.O. Box), telephone number, copy of the bill of sale as proof of purchase and have the package clearly marked with your RMA number.

This warranty does not apply if the product has been damaged by accident, abuse, misuse or improper freight handling. The warranty will not cover products that have been modified without the written permission of Adesso, or if the serial number has been removed or defaced.

## WARNING

---

Long-term repetitive use of any keyboard could cause injury to user. Adesso recommends users avoid excessive use of this or any keyboard.

## USER GUIDE

## Mini-Touch Keyboard

**MODEL: ACK-540U**  
Series

## INTRODUCTION

---

Congratulations on your purchase of an Adesso Mini-Touch keyboard with an integrated touchpad. A small, yet powerful input device.

## FEATURES

---

- Integrated touchpad takes the place of your mouse
- Glidepoint® Touch Pad Centrally positioned for added convenience.
- Small & lightweight—fits anywhere—extremely portable.
- Low profile tactile keys for quieter typing.
- Membrane key switches provide longer life.
- Lighted LEDs for NUM, CAPS and Scroll Lock

## HARDWARE INSTALLATION

---

1. Make sure that your computer is turned OFF before installing this keyboard or any other hardware device.
  2. Plug the short rectangular USB Cord into any available USB port on your computer. (DO NOT FORCE)
  3. Turn the computer ON. You should be ready to go.
- 

## DRIVER INSTALLATION

---

### FOR WINDOWS XP, 2000, ME & 98SE USERS

---

- This keyboard is Plug and Play, there is no need to install any drivers. Windows will automatically detect and install all necessary drivers as a standard keyboard and standard PS/2 Mouse.
- For other Advanced features of your touch pad such as Scrolling, Motion and Taps and Buttons, you need to download the Glidepoint driver from our drivers section:

[www.adesso.com/drivers/glidepoint3.2.zip](http://www.adesso.com/drivers/glidepoint3.2.zip)

### Using the Touchpad:

---

- Gently glide your finger across the touch pad surface to move the cursor.
- Single click or tap on the touch pad to select or execute an action.
- Double-click or tap on the touch pad quickly to select or open a program.
- The light grey area at the upper right of the touchpad is for right tapping or right clicking.

## REQUIREMENTS

---

- Windows XP, 2000, Me, 98SE
- USB Port
