# 2005 Lotus Bay Architectural Specification

Top View Of Spa

Note:  
Lotus Bay models built before August 2005  
All pumps are located in the front left corner

Front View Of Spa

**Caution:**  
Due to manufacturing tolerances there could be some minor differences between the actual spa and the drawing above. If site planning is critical to such tolerances, be sure to measure your actual spa.

- Note:**
1. Subject to change without notice.
  2. Engineering specs may differ slightly from brochure.
  3. For E-Z lifter installation allow 18" (45.72cm) clearances on the backside of the spa.
  4. Alternative cabinets may add significant weight. Ask your dealer for exact details
