

The Smaller, More Versatile Hard Drive Enclosure

Realize your data transfer potential with the incredibly versatile and easy-to-use MX-25, the portable 2.5" hard drive enclosure. With a dual USB 2.0 and eSATA interface and 3-head USB cable, the extremely lightweight MX-25 supports SATA hard drives up to 500GB without breaking a sweat. No external power adapter is required, simply install your drive, connect it to your computer, and start transferring data at up to 480Mbps and 3Gbps, respectively. Make life easier for you and your data with the MX-25, the smaller, more versatile 2.5" hard drive enclosure.
