WIND™

Wind's clean simple lines, reduced outer scale and superior comfort make it a perfect choice for today's reception and waiting areas. The matching table series compliments the design of the Wind seating series. Table tops are available in three new epoxy finishes or any standard Global laminate finish with square edge detail. The new epoxy finished table tops have a silk, semigloss finish and a reverse waterfall edge profile.

MDF/Epoxy and Laminate Table Top Finish Options:

Platinum (PLT)

White (WHT)

Charcoal (CHR)
