Specify Part Number

LA-316

This portable speaker is a great addition to your existing receiver system. Easily double the output of your LR-600, or add a speaker to your LR-100 system.

Features

- 4-inch woofer driver and a 1 inch tweeter
- Carrying handle can also be adjusted to allow table top placement at any angle
- Wall mountable handle can be used as wall mount bracket
- Speaker stand mountable, hardware included to attach to standard microphone stand using the handle
- Quick connect spring loaded posts
- Can be connected directly to the LR-600 for better sound distribution of a receiving signal
- Same look as LR-600 Receiver/Speaker
