

Standard Travel Cable Kit

Includes a retractable power cord, USB optical mouse, Category 6 patch cable, and USB notebook light.

All components fit in a small, compact carrying case (included).

The Black Box® Standard Travel Cable Kit comes with four basic accessories that are ideal for travelers or students. These accessories all fit in the small, compact carrying case.

What's Included

- (1) Retractable Power Cord (RET-MINI2POS-PC): This retractable power cord has a NEMA 1-15P to an IEC C7 male connector. It includes a 60" (152.4-cm) retractable cable and is guaranteed for up to 2000 pulls.
- (1) USB Optical Mouse (RET-USB2MOUSE): This mini optical mouse has a 24" (61-cm) retractable cable. The mouse supports Windows® Me/XP/7 and Windows Vista®, and the retractable cable is guaranteed for up to 3000 pulls.
- (1) Category 6 Retractable Patch Cable (CAT6-RETRACT): This 60" (152.4-cm) CAT6 retractable patch cable is great for users who still require access to a wired network.
- (1) USB Notebook Light (USBLIGHT): This 18" (45.7-cm) flexible cable attaches to a free USB port. Its one LED provides just enough light to see your netbook or laptop work area. The USBLIGHT is ideal for areas where lighting is limited.
