ATRAC[®] CD Walkman[®] Portable Compact Disc Player with Car Accessories

features

- ▲ **Car Remote Control Supplied** wired remote can be mounted in your car and allows for easy operation of CD Walkman[®] player playback functions
- ▲ **Car Kit Accessories Supplied** permits use of this CD Walkman[®] player in vehicle with no need to obtain additional components
- ▲ **AC Adapter Supplied**
- ▲ **New High-Tech Slim Line Design** exceptionally thin and with a new high tech look that set it apart from the typical portable CD player
- ▶ **ATRAC3plus[™], ATRAC3[™], MP3 AND CD-R/RW Format Playback**
ATRAC3plus is an advanced audio compression technology offering multiple bit rates, allowing you to create music compilations tailored to your listening preference with the ability to get up to 490** songs on 1 CD-R/RW disc @ 48kbps. ATRAC3plus offers extended song capacity with superior sound quality. You can also play back MP3 files (16-320kbps) downloaded and recorded onto a CD-R/RW disc
- ▶ **SonicStage[®] Software Supplied** is easy to use and allows you to create your own ATRAC3plus music file compilations on CD-R/RW media using your PC's CD-ROM drive. The ability to add your own titles and edit your music groups allows for an element of customization in your portable music
- ▲ **4 Line Dot Matrix Display** Allows for fast and easy identification and location of your ATRAC or MP3 selections
- ▲ **File View Image Display** allows you to sort through your tracks by folder for easy search of your favorite songs or albums
- ▲ **Jog Dial[®] Navigation with Easy File Search** High speed, intuitive file navigation
- **Supports CD Text and ID3 Tagging** to easily view CD text and ID3 information including song title, album title and artist name
- ▶ **Customizable Equalizer** Offers 4 different modes including 3 preset and 1 custom setting for enhanced sound
- ▶ **Clip-on Style Remote Control Supplied** can be clipped onto your bag or belt and fits naturally into your hand allowing you access to essential playback operations
- **3-Color Playback Mode LED** gives you a visual indication if you are in play, fast forward or rewind
- **Over 60 Hours of Continuous Playback with (1) "AA" Battery (Not Supplied) for ATRAC3plus Playback and 70 Hours for CD Audio Playback** advanced Sony DSP technology and new mechanism which provides dramatically extended battery life from predecessor models
- ▶ **Off Timer Auto Shut Off Feature to Conserve Battery Life**
Maximizes battery life by powering down the player when not in use

- **Skip-Free* G-Protection[™] Technology** continues to provide quick recovery from both horizontal and vertical shock
- ▶ **18 Playback Modes** offer many predetermined choices in the playback of CDs, including hearing one track over and over, hearing a selection of tracks in a desired order, or listening to tracks randomly
- ▶ **Auto Ranking Playback Function** listen to the tracks on your CD in the order you want them
- **Bookmark Playback Function for Easy Programming** You can easily program your favorite songs from multiple CDs and play them back with the touch of a button. This feature makes it easy to program and playback a personalized mix of your favorite songs
- ▲ **Carry Case Supplied** new high tech carry case supplied
- **Digital Volume Function** provides precise adjustment of volume level, while the volume level appears on the display
- **Heat Resistant Lid** helps protect against high temperature build-up especially when using the CD Walkman[®] player in hot climates and in vehicles
- **2 Position Automatic Volume Limiter System (AVLS)** maintains volume output at levels below distortion threshold for cleaner sound reproduction
- **Available in Black**
