

6-Position Learning Center

Model 3132PLC

1. Economy 3132 Cassette Player/Recorder
 - Four 1/4" headphone jacks for listening center uses with additional Remote and Mic jacks
 - Built-in electret microphone can't get lost or misplaced
 - 1 Watt RMS loud enough for classes up to 30 people
 - Cue & Review, 2X counter to locate lesson materials
2. Impact resistant 2001 Carry / Storage Case
3. Six 2924AVP Monaural headphones
 - Fully adjustable, noise-reducing earcups made with rugged ABS plastic for added durability
4. 1216AVPY Six-position Monaural Jackbox
 - Six 1/4" headphone jacks with silver contact points for "crackle-free" connections
 - Individual volume controls
- One year warranty for school use - unlike media players purchased from consumer electronics stores whose warranties would be voided if used in schools

Durable and built specifically for classroom listening center uses, the 3132PLC handles up to six headphone-wearing students at one time. It's ideal for language studies, literacy groups and story time activities.
