## Psyc® MP3/ATRAC3® CD/Tuner Boombox

### features

- ◆ **New Psyc® Image and Stylish Design** represents high quality and power with a new look in portable entertainment.
- ◆ **Plays Back CD-R/RW<sup>1</sup> Discs with MP3/ATRAC3®/ATRAC3plus™ Audio**  
For customers who already have extensive music libraries, use the included software and hardware to manage, burn and playback their collection of MP3s. ATRAC3plus is an advanced audio compression technology offering multiple bit rates, allowing you to create music compilations tailored to your listening preference with the ability to get up to 490<sup>2</sup> songs on 1 CD-R/RW disc @ 48kbps.
- ◆ **PC/Audio In for Digital Music Players or PC Input** An exciting new feature that takes music playback beyond tape and CD. It allows simple plug-and-play integration with a digital music device or PC via a 2.5 mm jack.
- ◆ **Music Management Software Supplied** is easy to use and allows you to create your own ATRAC3plus music file compilations on CD-R/RW media using your PC's CD Burner. The ability to add your own titles and edit your music groups allows for an element of customization in your portable music.
- ▲ **New Jog-Lever Operation for Music Search** Means you scroll by turning the Jog Dial to find the track you're looking for.
- ◆ **2 Line Dot Matrix Display** Provides ID3 tag information for fast and easy identification and location of your ATRAC or MP3 selections and makes it easy to search all music files even in another folder layer.
- **Digital AM/FM Stereo Tuner** provides the most accurate drift-free tuning of AM and FM radio stations and lets you choose from the wide variety of talk shows and music programs, with the added enjoyment of stereo sound.
- **10-Key Direct Access™ Remote Control** Full sized remote control including keys to directly access tracks on a CD as well as preset stations programmed into tuner memory.
- **AC/DC Operation** Power your boombox by batteries or use the supplied AC adapter
- **Mega Bass® Sound System** produces rich, deep, bass tones for more powerful overall sound.
- ◆ **4 Sound Modes Plus a Custom Mode for Personalized Sound** Jazz, Rock, Pop and Vocal Modes plus one customizable mode.
- ◆ **30 Station Memory Presets (10AM/20FM) with Personalized** uses electronic settings for easy, one-button tuning of your choice of 10AM or 20FM stations.
- **CD Play Modes (Program/Shuffle/Repeat)** lets you hear tracks in multiple modes; in sequence as recorded, in program (RMS) order, all tracks in random (shuffle) order or a single track over and over.
- **Compatible with the Connect™ Music Store** Offers one of the most extensive music collections online. Unique features such as Moodmix, Connect Sets and live radio, make this a choice destination for customers looking to expand their music collection. It's easy to discover, find and purchase single tracks or entire albums. Choose from top hits and tracks from independent artists.
