SPC110NC/27

## Product highlights

### External microphone included

*With a separate external microphone, you have the freedom to place it where it best picks up your voice for relaxed on-line video chatting.*

### 30 frames per second video

*Sit back and enjoy superior viewing with 30 frames per second video. This gives you smoother video images and a better all-round video-chatting experience.*

### Stable mount

*The multifunctional stand makes it easy for you to mount the webcam on any monitor, laptop, notebook or flat surface.*

### Compatible with all software

*The webcam works with all available free and professional imaging software. Take a snapshot or a still picture from your video and open it with any image program.*

### Compatible with all services

*The webcam and its software have been designed with all instant messaging services in mind. Add video to Skype, Windows Live Messenger, Yahoo! Messenger, AOL Instant Messenger and other services.*
