NOTE: The two fasteners required to secure the MM3000 to the mounting surface (minimum 1/4-inch diameter recommended) and screws to mount the monitor are not supplied; screws holding feet on bottom of monitor may be used to secure monitor to mount.

C242M-C (11/99) MM3000 Monitor Mount

IMPORTANT SAFEGUARDS AND WARNINGS

Prior to installation and use of this product, the following WARNINGS should be observed.

1. Installation and servicing should only be done by qualified service personnel and conform to all local codes.
2. Unless the unit is specifically marked as a NEMA Type 3, 3R, 3S, 4, 4X, 6 or 6P enclosure, it is designed for indoor use only and it must not be installed where exposed to rain and moisture.
3. Use only installation methods and materials capable of supporting four times the maximum specified load.
4. Only use replacement parts recommended by Pelco.

Please thoroughly familiarize yourself with the information in this manual prior to installation and operation.

DESCRIPTION

The MM3000 is a ceiling "J" mount designed for use with 9-inch (22.86 cm) and 12-inch (30.48 cm) CCTV monitors. The mount allows horizontal and vertical adjustment of the monitor.

INSTALLATION

To install the MM3000, perform the following steps.

1. Drill holes in the mounting surface using the mount as a template and attach the mount securely with fasteners of a suitable size.
2. Remove the rubber feet from the bottom of the monitor. Place the monitor on the monitor support pan and secure the monitor to the pan. (The screws previously used to secure the rubber feet to the bottom of the monitor may be used.)
3. If the monitor mounting hole pattern does not align with slots in support pan, use extension brackets provided and attach them to monitor base (see Figure 1). Then place monitor and brackets onto support pan and tighten nuts (provided) to secure monitor.
4. Adjust pan rotation (360°) and tilt angle of monitor support pan (45° down). Lock into position by tightening the hex head bolts.

NOTE: IF MONITOR MOUNTING HOLE PATTERN DOES NOT ALIGN WITH SLOTS IN SUPPORT PAN, USE EXTENSION BRACKETS AND ATTACH THEM TO MONITOR BASE. THEN PLACE MONITOR AND BRACKETS ONTO SUPPORT PAN AND TIGHTEN NUTS TO SECURE MONITOR.

WARRANTY AND RETURN INFORMATION

WARRANTY

Pelco will repair or replace, without charge, any merchandise proved defective in material or workmanship for a period of one year after the date of shipment.

Exceptions to this warranty are as noted below:

- Five years on FT/FR8000 Series fiber optic products.
- Three years on Genex® Series products (multiplexers, server, and keyboard).
- Three years on Camclosure® and fixed camera models, except the CC3701H-2, CC3701H-2X, CC3751H-2, CC3651H-2X, MC3651H-2, and MC3651H-2X camera models, which have a five-year warranty.
- Two years on standard motorized or fixed focal length lenses.
- Two years on Legacy®, CM6700/CM6800/CM9700 Series matrix, and DF5/DF8 Series fixed dome products.
- Two years on Spectra®, Esprit®, ExSite™, and PS20 scanners, including when used in continuous motion applications.
- Two years on Esprit® and WW5700 Series window wiper (excluding wiper blades).
- Eighteen months on DX Series digital video recorders, NVR300 Series network video recorders, and Endura™ Series distributed network-based video products.
- One year (except video heads) on video cassette recorders (VCRs). Video heads will be covered for a period of six months.
- Six months on all pan and tilts, scanners or preset lenses used in continuous motion applications (that is, preset scan, tour and auto scan modes).

Pelco will warrant all replacement parts and repairs for 90 days from the date of Pelco shipment. All goods requiring warranty repair shall be sent freight prepaid to Pelco, Clovis, California. Repairs made necessary by reason of misuse, alteration, normal wear, or accident are not covered under this warranty.

Pelco assumes no risk and shall be subject to no liability for damages or loss resulting from the specific use or application made of the Products. Pelco's liability for any claim, whether based on breach of contract, negligence, infringement of any rights of any party or product liability, relating to the Products shall not exceed the price paid by the Dealer to Pelco for such Products. In no event will Pelco be liable for any special, incidental or consequential damages (including loss of use, loss of profit and claims of third parties) however caused, whether by the negligence of Pelco or otherwise.

The above warranty provides the Dealer with specific legal rights. The Dealer may also have additional rights, which are subject to variation from state to state.

If a warranty repair is required, the Dealer must contact Pelco at (800) 289-9100 or (559) 292-1981 to obtain a Repair Authorization number (RA), and provide the following information:

1. Model and serial number
2. Date of shipment, P.O. number, Sales Order number, or Pelco invoice number
3. Details of the defect or problem

If there is a dispute regarding the warranty of a product which does not fall under the warranty conditions stated above, please include a written explanation with the product when returned.

Method of return shipment shall be the same or equal to the method by which the item was received by Pelco.

RETURNS

In order to expedite parts returned to the factory for repair or credit, please call the factory at (800) 289-9100 or (559) 292-1981 to obtain an authorization number (CA number if returned for credit, and RA number if returned for repair).

All merchandise returned for credit may be subject to a 20% restocking and refurbishing charge.

Goods returned for repair or credit should be clearly identified with the assigned CA or RA number and freight should be prepaid. Ship to the appropriate address below.
