ExtremeView. The perfect combination of elegance, sophistication, and convenience.

Vermont Castings blends drama and excitement, sophistication and comfort all together to create the pinnacle of fireplace performance and style. The glass and firebox are wider and taller than any other fireplace in its class. The fire is robust and more dramatic than ever before. The ExtremeView Series is the perfect choice for anyone looking to make a dramatic statement in the largest room of the home, or on the chilliest days of the year. Available in 33", 36" and 39" sizes. The ExtremeView can be installed anywhere you might place an ordinary direct vent gas fireplace.

Dress it up, if you like! The ExtremeView Series comes with an array of optional trims, louver accent trims and accessories.
