

OKIFAX 5680

❖ OKIFAX 5680

OKI

REAL FLEXIBILITY FOR CHANGING NEEDS

COMPACT AND CAPABLE

A true desktop performer, the OKIFAX 5680 is the perfect choice for the general office, be it small workgroups or corporate and home offices. This plain paper fax and copier combines high productivity with outstanding flexibility, all at a competitive price.

MULTITASKING PERFORMER, READILY UPGRADEABLE

The modern office world is rapidly changing and the OKIFAX 5680 is upgradeable to take the pace. Its network options will allow for full integration into the network environment, with the ability to scan to either Tiff or PDF formats and send by e-mail, plus the option to simultaneously send documents to a combination of fax and e-mail addresses. There's also an ISDN option for even faster communication speeds, and a Multifunction Printer (MFP) option for true flexibility and document management allowing you to print, fax, scan and e-mail all from your PC.

COST-EFFICIENT AND USER FRIENDLY

The OKIFAX 5680 also takes care of other office priorities. Its high specification is combined with cost-efficient performance thanks to its departmental codes facility that enables you to monitor transmission costs. What's more, ease of use is matched by a concern for confidentiality.

You can save time with a menu-driven display that reduces the risk of misdialling and assists frequently used numbers with one-touch dial-up. You can also receive personally addressed items to your dedicated mailbox.

HIGH SPECIFICATIONS, HIGH RELIABILITY

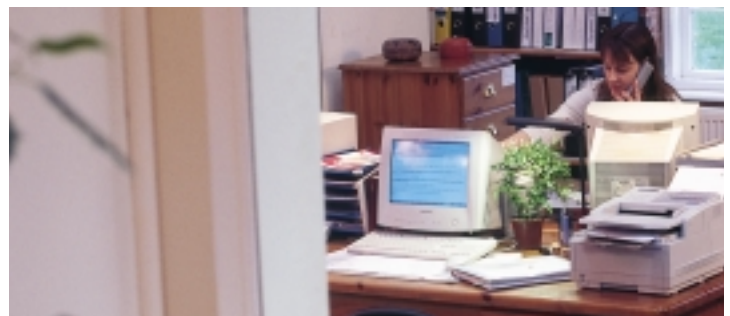

As with all of Oki's products, you can be assured of exceptional quality time after time with the OKIFAX 5680. It features high specifications with a large memory and a rapid modem of 33.6k bps. There's also no compromise on speed and volume, delivering a productive 8 pages per minute and with

an impressive paper capacity of up to 750 pages.

And thanks to Oki's stringent quality and design standards the OKIFAX 5680 is part of a successful range of systems, with a proven technology and the backing of the reliable Oki brand name.

In short, the OKIFAX 5680 offers professional quality – with all the reliability and flexibility that you require.

WHY OKI?

Oki has been in business for over 120 years. We specialise in print-based business communication with a commitment to bringing fast and high quality equipment to the workplace. That's why our products reflect a special understanding of day-to-day business requirements. It's why we have a dealer network providing excellent local support and service. It's also why buying from Oki isn't just a sensible choice, it's a safe decision.

THINK OKI. THINK CLARITY.

Whether your business is a start-up or a multinational, we have the products to suit your needs from mono and colour printers to multi-function fax machines. Because we have such a diverse product range, we have colour-coded our product segments to help you save time. When it's time to add another fax to your range or to check out the latest advances in technology on our website, simply use the following colour guide.
