PHILIPS

14" Mono

One of our most economic small TVs. Delivers good picture quality without unnecessary extras so you don't pay for what you don't use. One onboard speaker. Easy to operate, with convenient headphone plug-in for quiet viewing. Built-in handle makes it portable throughout the house. A great TV for those looking for a small TV for not too much money.

Product Highlights

Black Hibri

Tv tube technology used for all Philips 14" tv's giving good colour reproduction on the smaller sets.

Smart Picture

A touch of the SMART PICTURE button on the remote control provides the option of selecting one of five preset positions (Rich, Natural, Soft, Personal, Multimedia) to enhance enjoyment of video games, sports and movies, also based upon the room lighting condition. By selecting the desired option, all important picture elements are instantly adjusted to optimize viewing pleasure.

Plug & Play

Having connected the tv, it automatically searches for all channels and installs them.

1 page Teletext

Teletext information available.

Sleeptimer

The Sleeptimer automatically turns the TV off at a pre-set time of up to 240 minutes from the time the feature is activated. Sleeptimer settings are programmed in 15, 30, and 60-minute increments.

Front Connections

Connections for headphone and other inputs such as camcorder, front entry for ease of use
