2IPT5027C/79

## Product highlights

### Real Flat picture tube

The flatter tube provides a wider viewing angle while minimizing reflections for the best picture possible.

### Contrast & Sharpness Control

Contrast and Sharpness Control for better image control

### Eco AV Stereo

Using 2 on-board speakers, this device creates a spatial bisonic sound from mono sound power.

### Smart Picture

Smart Picture provides the optimum picture settings for color, brightness, saturation, contrast, sharpness, and so on, to enhance your overall viewing experience at all times.

### Auto Volume Leveller

The Auto Volume Leveller moderates sudden volume increases when switching broadcast channels or when commercials come on. It suppresses the volume increases in the sound modulation. The Auto Volume Leveller is great new feature!
