PHILIPS

21" Stereo FSQ

This affordable stereo TV combines one of the best picture tubes available with stereo sound quality, including 2 speakers to disperse sound effectively in room. The Blackline picture tube ensures higher contrast and improved day time viewing. Includes useful features such as Teletext, FM-radio and Plug & Play for easy installation. Without further extras so you don't pay for what you don't use. Great value for money.

                            < 1W Stand by
• Set Weight : tbc
• Weight Incl. Packaging : tbc
• Set Dimension (WxHxD) : tbc mm
• Box Dimension (WxHxD) : tbc mm
• TV Colour : Silver Chrome

Product Highlights

Black Line
TV tube technology using darker glass for better contrast and a narrow tube neck for better brightness in 21" models

Contrast Plus
A special electronic circuit has been incorporated into this television to enhance the darker portions of the picture for added realism and improved picture quality.

Smart Listening
This is the combination of Delta Volume and Automatic Volume Limiter. The former avoids undesirable changes in volume, caused by the different sound settings of different programmes. The latter avoids the rapid increase in volume which can happen in the case of different commercials

RMS
The standard professional measure of sound output power. All our Tv's aremeasured in RMS with 10% Distortion. There are other terms than RMSwhich often show higher numbers but are not comparable.

FM Radio
A radio is included inside the TV, capable of stereo sound (in stereo TV's) and storage of up to 40 FM Radio stations. On screen naming of all these stations is also possible for easy navigation.

Plug & Play
Having connected the tv , it automatically searches for all channels and installs them.

10 Page Smart Text
Fast access to your own programmed favourite text pages.

Smart Clock
The ability of your TV to automatically update its internal clock for easier use of the Wake up clock function which allows you to program the TV to switch on at a certain time.

Side Connections
Connections for headphone and other inputs such as camcorder, side entry for ease of use.
