

Philips
TV with Crystal Clear

29"
real flat

29PT5460

Turn up your viewing experience with Crystal Clear

This 29" flat-screen TV comes with a Real Flat picture tube that delivers a high-contrast, brighter and non-distorted life-like picture with Virtual Surround sound that's well dispersed via two on-board speakers.

Better quality images that reveal more detail

- Real Flat picture tube technology brings you lifelike images
- Crystal Clear improves picture depth

Exciting and lifelike sound

- Incredible Surround™ for enhanced audio enjoyment

One touch convenience

- 10 pages Smart Text for fast access to teletext.

PHILIPS
sense and simplicity

Highlights

Real Flat picture tube

The flatter tube provides a wider viewing angle while minimizing reflections for the best picture possible.

Crystal Clear

Combining picture enhancements like Contrast plus and color improvement, Crystal Clear improves picture depth.

Incredible Surround™

Incredible Surround is an audio technology from Philips that dramatically magnifies the sound field to immerse you in the audio. Using state-of-the-art electronic phase shifting, Incredible Surround mixes sounds from left and right in such a way that it expands the virtual distance between the two speakers. This wider spread greatly enhances the stereo effect and creates a more natural sound

dimension. Incredible Surround allows you to experience total surround with greater depth and width of sound, without the use of additional speakers.

10 page Smart Text

The teletext is a common system transmitted by most broadcasters. The 10 page smart text feature gives you fast access to information when changing pages.

Specifications

Picture/Display

- Aspect ratio: 4:3
- Diagonal screen size: 29 inch / 72 cm
- Visible diagonal screen size: 68 cm
- Display screen type: Real Flat picture tube
- Picture enhancement: Crystal Clear, Color Temperature Adjustment, Sharpness Adjustment
