Product highlights

- **Ultra Flat BLS picture tube**
  The flat screen offers an improved viewing angle and less disturbing reflections.
- **Colour Plus and Colour Transient Improvement**
  For a picture with more contrast and nicer colours.
- **Dolby Pro Logic surround**
  For lifelike sound experience.
- **Acoustic horns**
  Which allows the sound to be projected to the front of the cabinet.
- **Easy Tune**
  Easy way of channel installation thanks to ACI (Automatic Channel Installation) by means of special teletext transmission of local cable operator.
- **Information Line**
  Which indicates the currently watched program title

Supporting Features
