- Product weight: 39 kg
- Weight incl. Packaging: 44 kg
- Box dimensions (W x H x D): 831 x 678 x 588 mm
- Color cabinet: Black

Accessories

- Included Accessories: Remote Control, 2 x AA Batteries, User Manual

29PT6657/85

Product highlights

Real Flat picture tube

The flatter tube provides a wider viewing angle while minimizing reflections for the best picture possible.

Component Video Input (YPbPr)

Component Video is the highest quality interconnection standard for analog video. It is sharper than S-video and composite video.

S-Video Input

An S-video format signal preserves the video quality better than standard video input.

Smart Picture and Smart Sound

Philips preset modes for Smart Picture and Smart Sound provide you with direct access via a single key on the remote control. You can select optimized picture and sound settings for the various picture and sound modes.

SAP

Secondary Audio Program (SAP) allows you to choose another language in program where two languages are available.
