Quick Installation Guide

1

Install the battery, positive side first. Close the compartment.

2

Disconnect your old mouse.
Connect the mini USB cable to the USB hub.

3

Connect the USB cable to an available USB port on your computer.

4

Move the switch to the ON position. To save battery power, switch it OFF when not in use.
Hold down the round button for five seconds to synchronize the mouse and the hub.

5

To charge the battery, connect the 6-inch USB cable to the mouse and to an available USB port on your computer.

6

Optional: For secure travel, slide the mouse onto the hub.

For assistance, visit www.microinv.com or call toll free: 1-877-550-5534
