

Retro Backpack TAVS0702HY

This retro styled backpack can easily store all those business and sports accessories in an original and unique style

tech air

S SERIES

15.4" compatible, the S0702 has been designed to combine image and functionality. Uniquely styled for that retro appeal, this backpack has 2 main compartments; one with the unique techair® patented technology to keep your laptop protected and the second, which is expandable, for all those business or sports essentials

With its clean lines and huge capacity for all your documents, files and sports clothing, this designer look bag in black with stylish yellow accents has all the capacity and pockets you are looking for. It's also packed with user friendly features such as M-Port™ to listen to your music while on the move. This bag offers a very stylish appearance combined with fantastic functionality and comes with 12 months i-TRAK (an exclusive world-wide lost property solution)
