Composite Video Cable	MW antenna FM antenna	Remote control with two AAA batteries
DIN OUT cable	Quick start guide	User manual
PHILIPS

Step A Connect

Tips
– A sticker indicating speaker type can be found at the back of each speaker box (FRONT L, FRONT R, CENTER, REAR L and REAR R). Insert the speaker wires by matching the colors of the jacks and the labels on the speaker wires.

– See the User Manual for other TV connection options.

– For connecting to a Progressive Scan TV, refer to the user manual for proper connections and detailed setup.

1 Connect the speaker wires.

2 Connect the subwoofer and the DVD system by using the supplied DIN OUT cable.

3 Connect the MW and FM antennas

4 Connect the supplied composite video cable to your TV.

**5** Connect the power cords of the DVD system and subwoofer.

Step B Setup

Setting up the TV

1 Press **SOURCE** (**DISC** on the remote) to select disc source.

2 Turn on the TV and set it to the correct Video In channel.

DISC

PHILIPS
Setting the clock

1

In standby mode, press and hold **CLOCK** on the remote.

2

When the hour digits flash, turn **VOLUME-/+** on the system or press **VOLUME+/-** on the remote to set the hours.

3

Press **CLOCK** again and the minute digits flash. Then turn **VOLUME-/+** on the system or press **VOLUME+/-** on the remote to set the minutes.

4

Press **CLOCK** again to confirm the time setting.
Setting DVD menu options

IMPORTANT!

If the progressive scan feature is activated but the connected TV does not support progressive signals or the cables are not connected accordingly, see the user manual for proper progressive scan setup or deactivate the progressive scan feature as below:

1) Turn off your TV progressive scan mode or turn on to interlaced mode.

2) Press SYSTEM on the remote to exit the system menu and then DISC to exit progressive scan.

OPEN/CLOSE ⏏

Programming and tuning to radio stations

1. Press **SOURCE** (**TUNER** on the remote) to select tuner source (FM or MW).

2. Press **PROG** on the remote for more than two seconds to program all available stations in order of waveband.

3. Press **PRESET▲/▼** (**CH +/- (**I◀ / ▶I**)** on the remote) until the desired preset station is displayed.

Tip
Detailed playback features and additional functions are described in the accompanied owner's manual.

Notes for remote control:
– First, select the source you wish to control by pressing one of the source select keys on the remote control (DISC or TUNER, for example).
– Then select the desired function (▶II, I◀, ▶I for example).
