## Specifications

- **Dimensions:** 17.0" H, 4.0" W, 14.4" D
- **Approx. Shipping Weight:** 16.1 Lbs.

## Remote

- **Universal Remote CRK221VA1**  
Provides VCR and DVD operations plus control of the primary functions of major brand remote-controllable TVs.

## General

- **On-Screen Setup Menus**  
A well organized set of menus allow you to conveniently set up time and date, channel lists and personal preferences for automatic features, EnergySaver and remote control address.
- **Trilingual On-Screen Menus**  
Choose between English, French, and Spanish operating and programming instructions, displayed on your television.
- **Audio/Video Matrix Switching**  
Audio/Video matrix switching allows you to switch the TV view between DVD, VCR, the tuner, and the auxiliary inputs at any time.

## DVD Capabilities

- **Compatible with Music CDs, CD-R, CD-RW, MP3**  
The RCA DVD Player is compatible with your current CD collection and offers similar playback features.
- **High-Resolution Video Performance**  
720 pixels per horizontal line<sup>5</sup> for crystal-clear detail and picture clarity.
- **10-Bit, 27 MHz D/A Conversion**
- **Multiple Aspect Ratios**  
With the press of a button, the DVD player can switch between 4:3, 4:3-letterbox<sup>6</sup> and 16:9<sup>7</sup> formats.
- **96 kHz, 24-Bit Audio D/A**
- **Signal-to-Noise Ratio**  
More than 100dB.
- **Dolby Digital<sup>2</sup> and DTS<sup>3</sup> Compatible**  
With Dolby Digital<sup>2</sup> ready audio equipment, will play full six-channel 5.1 audio via the optical or coaxial digital output. Full two-channel Dolby<sup>2</sup> Pro Logic down mix for full compatibility with Pro Logic audio equipment.
- **Parental Rating Control**  
The RCA DVD Player gives studios the capability to put the control of movie viewing where it belongs—in the parents' hands.<sup>†</sup> And without a password, the rating control cannot be altered—great when adult supervision is not always possible.
- **Multi-Language/Subtitle Capability<sup>8</sup>**  
DVD discs can support up to eight different audio languages, 32 different subtitle tracks and closed captioning.

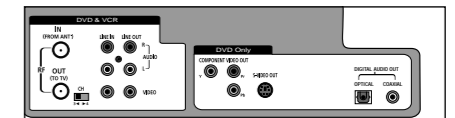

- **Programmable Playback**  
Memorizes playback sequence of video chapters or audio tracks for automatic playback.
- **Chapter/Track/Search**  
Scan through each DVD chapter or CD audio track in sequence or access the desired chapter/track by direct input, via remote.
- **Chapter/Track Repeat**  
Permits automatic repeat of favorite DVD chapter or audio track.
- **Repeat A-B**  
Repeat specified segment of program material.
- **Display Dimming**  
Select between Bright and Dim to adjust the brightness of the player's front panel display.
- **Zoom Function (2X, 4X)**  
Zoom allows the on-screen image to be increased 2X or 4X with the ability to pan left/right, up/down while in zoom mode.
- **Special Effects**  
Sophisticated digital processing generates exceptionally clean and clear Picture Search, Freeze Frame, Slow Motion and Frame Advance.
- **Random Play**  
Select random play for tracks or chapters on a single CD, DVD or VCD.

## VCR Capabilities

- **AccuSearch™ 4-Head Video System**  
The double-azimuth video system produces superior, jitter-free special effects for a clear and stable picture during still/pause, slow motion and forward/reverse search.
- **Digital Auto Tracking**  
Allows playing of most VHS tapes without the need for manual tracking adjustments.
- **HQ Video Processing**  
Special recording and playback circuitry enhances video characteristics, producing high-quality pictures.
- **SQPB (S-VHS Quasi Playback)**  
VCR will be able to playback tapes recorded in S-VHS or S-VHS-ET mode in VHS quality.
- **VHS Hi-Fi Stereo Recording/Playback**  
Two high-speed rotating audio heads helically scan the video tape to create stereo sound with dramatically improved dynamic range, frequency response and signal-to-noise ratio.
- **Second Audio Program (SAP)**  
Decodes the second audio program available on some broadcasts.
- **MTS Broadcast Stereo Reception**  
Receive and record stereo sound from MTS (Multichannel Television Sound) stereo TV broadcasts, where available.
- **VCR Plus+<sup>1</sup> Programming with End-Time Adjustment**  
The VCR Plus+<sup>1</sup> System simplifies VCR programming by reducing programming entries. Program<sup>9</sup> the VCR by entering PlusCode<sup>1</sup> programming numbers which can be found in most newspapers and TV listing magazines, such as *TV Guide*<sup>10</sup>. Adjust the end-time, so if the program runs long, you won't miss a minute.
- **Auto Daylight Savings Adjustment**  
Automatically adjusts the VCR's clock twice a year for daylight savings time, so you won't have to.
- **One-Button Express Record (XPR)**  
Simplifies the recording of a TV show in progress. One button begins recording and sets the program length, so that the VCR records and switches off automatically.
- **Quick Start Mechanism**  
As soon as a tape is loaded into the VCR, it's ready to play.
- **Commercial Scan**  
Quickly and accurately scan through commercials or short program segments during playback, 60 seconds with each press up to five minutes.
- **Go Back (Previous Channel)**  
Makes it easy to switch between two channels with the press of one button.
- **181-Channel Tuning Capability<sup>11</sup>**  
Selects VHF/UHF broadcast channels and up to 125 cable channels.
- **Auto Channel Search with Auto Cable/Antenna Switch**  
Automatically selects cable or antenna tuning and stores available off-air or unscrambled cable channels in memory.
- **Real-Time Counter**  
Front-panel and on-screen displays show elapsed tape time in hours: minutes: seconds. Makes locating segments easier.
- **VHS Index Search System**  
Simplifies locating the start of recorded programs by placing an electronic marker at the beginning of each new recording. Select an index number and the VCR will locate it and begin playback.
- **Zero Search**  
Allows you to fast forward or rewind to the zero position on the counter.
- **16-Event/1-Year Programmable Timer**  
The built-in timer memory can be preset up to one year in advance to record as many as 16 different programs automatically. Record options include one-time, daily, weekdays and weekly events.
- **Direct Time Search (Go-To Search)**  
Advances or reverses to a selected tape counter position.
- **Blank Search**  
Simplifies locating a blank portion of the tape for your next recording.
- **Auto Power On/Play/Rewind/Shutoff**  
Simply inserting a cassette in the VCR turns it on (Auto Power On). When a prerecorded cassette is inserted in the VCR, it automatically starts playing (Auto Play). When the end of the tape is reached, Auto Rewind automatically rewinds the tape. If the VCR is turned off during rewind, it will continue rewinding until end of tape is reached, then shut off.
- **Auto Clock Set<sup>4</sup>**  
The Auto Clock Set circuitry reads the Gemstar broadcast signal<sup>4</sup> containing time of day and date information, automatically setting the clock during initial setup as well as after power interruptions.

## Connections

- **Component Video Outputs (DVD only)**  
YPrPb component video outputs provide optimal video connection between the DVD player and advanced TV systems. Minimizes line scan and digital artifacts to provide a terrific viewing experience.
- **Audio/Video Outputs**  
Direct audio and video connections from both VCR and DVD for optimum performance.
- **S-Video Output (DVD only)**  
Provides optimum video performance with increased brightness/color signal separation for monitors equipped with S-Video input.
- **RF Out**  
Simple, single connection to TV for either DVD or VCR.
- **Dolby Digital<sup>2</sup> and DTS<sup>3</sup> Bit-Stream Output<sup>12</sup>**  
Provides an encoded six-channel digital output via an optical or coaxial jack.
- **Included Accessories**
  - RF Cable
  - AC Power Cord
  - Batteries
- **Front Audio/Video Jacks**  
Provides convenient connection for camcorders and other video products.
- **Back Panel**

## Plus

- **Limited Warranty**
  - 90 days—unit exchange, which includes parts and labor.
  - 91 days to one year—unit exchange, which includes parts only; you pay the labor.
