17 **LED indicator**
18 **Speaker**

Getting Started

Power On and Off AEBK07FS

- Press and hold the [Power] button for 3 seconds to turn on AEBK07FS.
- When AEBK07FS is on, press and release the [Power] button for standby mode, press and release the [Power] button again to return to power on mode.
- To turn off AEBK07FS, press and hold the [Power] button for 3 seconds.

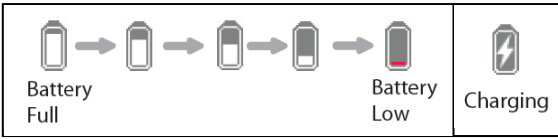
Charging AEBK07FS

The battery is not fully charged and it is highly recommended that you charge your LIBRE before you begin using it.

Note: Using the LIBRE "out of the box" will not harm the device. You will experience reduced battery life as the unit will not be fully charged.

Connect the power adapter to the LIBRE's USB port and you will see an animation of a battery charging on the LIBRE's display. Please charge the battery for a minimum of six (6) hours using the power adapter. You may also charge the battery by connecting your LIBRE to the USB port of your PC using the USB cable included with your LIBRE. However, using this method will extend the charging time to approximately twelve (12) hours.

- When DC/USB power cable is connected to AEBK07FS for charging, AEBK07FS will go into standby mode after it is idle for 60 seconds. Press the [Power] button to start AEBK07FS.
- The battery status is displayed at the bottom left corner. The remaining battery playback time is displayed right next to the battery icon.



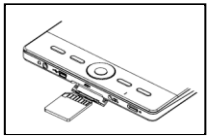
Getting Started

Inserting Memory Card

AEBK07FS supports SD/SDHC/MMC card in both FAT and NTFS file system. NTFS is needed to copy file with size larger than 4GB.

To insert a Memory card:

- Open the SD cover.
- Check that the SD card is in the correct position with the contact pin facing upwards as illustrated below. You may damage the card and AEBK07FS if SD card is not inserted in the right orientation.



- Push the SD card into the card slot until it clicks.
- To remove SD card, push the SD card once again until it clicks.
- When a SD card is inserted in or ejected from AEBK07FS, it may take few seconds for AEBK07FS to update the content.
- Please avoid inserting or ejecting SD card when other operation is running.
- Do not remove the card if the content inside the card is being played. This will halt the operation of AEBK07FS and cause AEBK07FS to restart.

- If the system is not responding, press and hold the <Power> button for 6 seconds to reset.

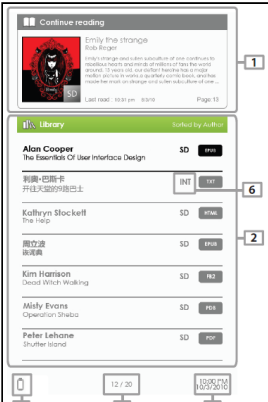
Limitations with NTFS file system:

- Books in the card are not recognized by ADE when connected to PC.
- Direct copy of files from internal memory to card is not supported.

Getting Started

Starting from Home Menu

When AEBK07FS is turn on, you will enter into the Home Menu.



1. Continue Reading
-display the page of the last read book. Press <OK> button to open the last page read.

2. Library
-display the list of books available. Move the cursor to the desired title and press <OK> to open it.

3. Battery Indicator
-displays battery status during operation

4. Page Number
-displays current page number and total available pages.

5. Time & Date
-display current time and date, you can set this from the **[Settings]**

6. File Directory
- indicates the location where the file is stored. SD – SD card, INT – internal memory

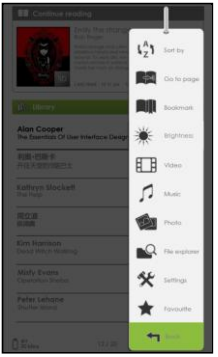
Entering Option Menu

Press the [Menu] button to display the Option Menu as illustrated.

Press the directional key to move the cursor to desired item. Selected item will be highlighted.
Press <OK> to enter.

To exit from Option menu, move cursor to and press <OK> to confirm.

Alternatively, press the <Return> button to exit.



To sort books by different categories: Title, Author, Date, and Format

Jump to a specific page

Read from previously added bookmarks

Adjust brightness of the display screen

Enter into Video Player

Enter into Music Player

Enter into Photo Viewer

Enter into File Explorer for advance file management

Enter into System settings and to read user guide

Open your favorite book list.

Importing Content

Importing Content

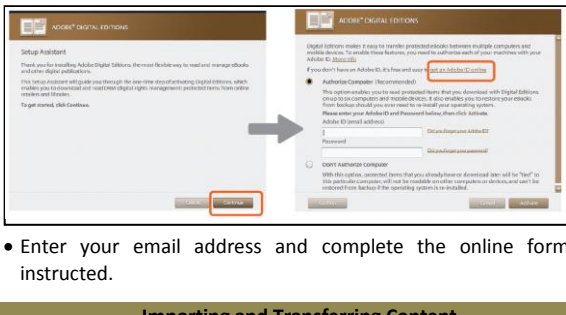
- AEBK07FS supports USB Mass Storage Device function.
- To import contents (ebooks, video, audio, photo etc) into AEBK07FS, connect AEBK07FS to PC via the supplied USB cable.
- Upon successful connection to PC, AEBK07FS will enter USB mode and all operation will be halted.
- Go to [My Computer]; double click on disk "AEBK07FS" to open.
- Perform normal file management operation like other USB device.

Importing DRM Contents

Adobe Digital Editions (ADE) is required for downloading DRM content into AEBK07FS.

Installing Adobe Digital Edition (ADE)

- To download the latest Adobe Digital Edition software, please go to http://www.adobe.com/products/digitaleditions/#fp .
- For first time user, you will need to get a free adobe ID from adobe's website. Click on the [get an Adobe ID online] link as below:



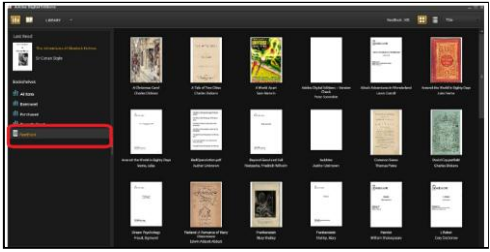
- Enter your email address and complete the online form as instructed.

Importing and Transferring Content

Authorizing PC and AEBK07FS

- Upon registration, return to the ADE window. Enter the username and password to activate your Adobe account.
- After activation, connect AEBK07FS to PC. ADE will detect AEBK07FS and you are prompted to authorize the device.

- After authorization, you will be able to find AEBK07FS recognized in ADE as below. Contents inside AEBK07FS will be displayed on the right hand windows.
-



- You can now start downloading or buying ebooks from online Ebook stores supporting Adobe DRM such as www.borders.com.
- Purchased or downloaded ebooks will be stored in [My Digital Editions] in [My Documents].

Transferring DRM ebooks to AEBK07FS

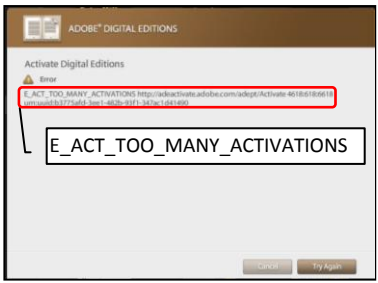
- From ADE menu, click on [All Items] on the left column
- Items in [My Digital Editions] will be listed down in right window.
- Select the desired item(s) to be transferred, <Shift> + <Left Click> to select multiple files.
- Drag and drop the selected item(s) into AEBK07FS's Drive located on the last row of the column on the left as illustrated below.

Notes in using ADE

Each ADE ID supports only 6 devices; this includes the master device (AEBK07FS) and the slave device (SD card).

When AEBK07FS is restored to default settings, ALL DRM activation record and data (including DRM books purchased) will be erased from AEBK07FS. You are required to authorize the device with your ADE ID again.

When the number of authorized device has exceeded the allowable amount, you will come across the following error message:



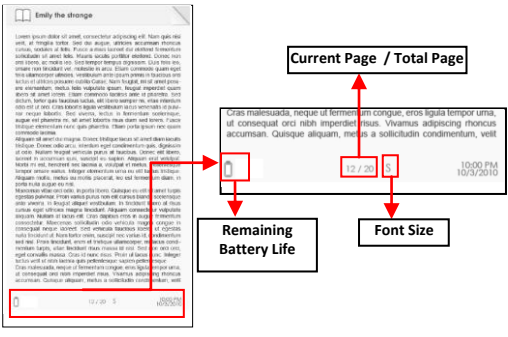
To request for extension and reset of your ADE ID, go to http://www.adobe.com/support/digitaleditions/ → [Submit a web case]. You are required to key in your ADE ID info.

Reading Books

Opening Book

- Books transferred to AEBK07FS will be listed in Home Menu.
- AEBK07FS supports ebooks in epub, pdf, and txt format.
- Use the <Directional> buttons to move the cursor to select book and press <OK> to open.

Book Page Interface



Turning book page
