7" Color Multimedia eReader

READ. SURF. PLAY.—The Pandigital Novel 7" Multimedia Color eReader will change the way that you curl up with a good book.

BARNES & NOBLE ON-BOARD—Over 1 Million books, newspapers, and magazines to sample, lend, and enjoy—The Internet's Largest Bookstore

BROAD EBOOK FORMAT SUPPORT—Whether buying the latest bestseller from Barnes & Noble, downloading free content from the web, or borrowing a book electronically from your library, the Pandigital Novel supports most popular file formats

- 7" color TFT LCD
- Touch-screen control makes navigation simple
- 2GB internal memory holds hundreds of books & periodicals
- Expandable memory to carry your full library, videos, and music files
- Wifi / Wireless LAN connectivity for easy downloads and web access
- Compact and lightweight to go where you do

READING –JUST MORE FUN – Convenient tools are just a touch away:

- Not certain of a word's meaning? –use the **built-in dictionary**
- Forget who that character was? –use the **word search** feature
- Eyes feeling tired? –increase the **variable font size**
- Want to reference something quick? –create **multiple bookmarks, highlight** important text, or **take notes** on the **virtual keyboard**

AND SO MUCH MORE –

- **Web** – browse sites, check your social network, stocks, or the weather
- **E-Mail** –Read and reply with your existing E-Mail accounts
- **Music** –Listen to your favorites
- **Videos** – Watch clips or flicks
- **Photos** – Share your virtual album
- **Alarm Clock and Calendar** –Make it on time
