

CONCERT PIANO

88-NOTE PERFORMANCE KEYBOARD

The perfect piano to take you to the stage.

How do you get to Carnegie Hall? Concert Piano from ION! This 88-key digital piano has a stylish wood grain and built-in speakers to perform all your favorite tunes. There's even a cradle to hold an iPad and a downloadable music-learning app!

Concert Piano's 88 full-sized, semi-weighted keys make it feel like you're playing a grand piano, while its space-saving design lets you fit Concert Piano just about anywhere in your home. Concert Piano's beautiful wood-grain exterior means it fits right in as a piece of furniture too. You and your guests will enjoy room-filling sound from Concert Piano's built-in, amplified speaker system. Piano sounds are included so you can use Concert Piano even if you don't have an iPad.

Start your first recitals today with ION's Concert Piano!
