### Setting up the car mount

1 Open the stand locks.

2 Lift the headrest on the front seat.

3 Rotate the brackets to an angle that will allow the brackets fit through the headrest posts.

4 Slide the brackets through the headrest posts.

5 Close the stand's locks.

6 Close the stand locks.

7 Put your iPad 2 into the sleeve by placing the bottom of your iPad 2 into the bottom of the sleeve, then pressing the top of your iPad 2 into the sleeve.

**8** While pressing the latches on the stand, slide the sleeve into the stand.

**To release the sleeve:**

- While pressing the latches on the stand, pull the sleeve away from the stand.
- Caution:** Be very careful and make sure the sleeve is securely mounted to the stand before releasing it.

**9** The stand rotates for 90° viewing your iPad 2 vertically or horizontally.  
**Caution:** Be very careful and make sure the sleeve is securely mounted to the stand before releasing it.

**Cable management:**

- Plug the charging cable into the 30-pin slot. Clips also help to hold charging cable and headphone cables in place while on the move.
