Send and receive faxes
With high speed transmission and printing, the FaxCentre 1008 ensures fast transfer and receipt of documents. Equipped with a 120 page protected memory in case of power failure and a high capacity paper reserve, it can handle high traffic in total security.

Telephone
The FaxCentre 1008 is a feature-rich communications tool equipped with speed dial (11 numbers), an address book (99 numbers), automatic redial of the last five numbers called, a four volume-level ring tone and caller ID display capabilities.

Photocopy in black and white
The FaxCentre 1008 is a speedy (8 ppm), high resolution (600x600 dpi) digital copier with advanced functions such as multicopy (1 to 99) and enlarge and reduction capabilities from 50% to 200%.

PC connectivity
It's not just a fax machine. The FaxCentre 1008 is also a personal printer, copier and scanner and can also be connected to a PC (Windows 95/98/NT/Me/2000/XP).
