Product highlights

Easy grip

This non-slip grip makes connecting your components easy and ergonomically comfortable.

Lead-free construction

Lead-free construction of environmentally friendly materials.

Bare copper shielding

Bare copper shielding protects against signal loss.

Molded plug

Molded plugs ensure secure connections between components and offer extended durability.

Nickel-plated connectors

Nickel-plated connectors establish a clean contact between the cable and connector for a reliable connection.

Flexible PVC Jacket

Flexible PVC jacket provided protection to the delicate core of the cable. It also offers extended durability and ease of installation.

Quality construction

Quality construction uses only top grade materials to create products of extended durability.
