## Product highlights

### Installation menu locking

*Prevents unauthorized access to installation and configuration settings, to ensure maximum guest convenience and avoid unnecessary reprogramming costs.*

### Volume limitation

*This feature predefines the volume range with which the TV set is allowed to operate, preventing excessive volume adjustments and avoiding disturbance of next door guests.*

### Switch On Channel Programming

*Perfect for in-house advertising or information channels as it allows to show a predefined channel when the TV is turned on.*
