

20F650T

20" (Diagonal) TruFlat™ Stereo
Television with Advanced
Colorview Processing

Features

TruFlat™ Picture Tube

Premium Audio Package

Rear AV input options include 2 sets of Component Video (Y Pr Pb), plus one rear set of L+R+V or L+R+S-Video. A 2nd rear L+R+V can substitute for one Y Pr Pb input.

Front side AV input allows L+R+V with stereo headphone jack.

KidPass™ - Parental Control

Advanced ColorView Processing

Sound Logic™

Benefits

Reduces peripheral screen reflections & glare by over 60% compared to standard tubes. Offers a wider effective viewing area from any angle. Detail clarity adds realism.

Enhanced audio package includes ultra low-distortion pre-amp w/ on-screen bass, treble & balance controls; 5w/chan stereo amplification & matrix expansion option.

Multi-inputs allow improved grades of performance, connecting up to 4 stereo devices, with the front AV. Audio output control is selectable as fixed or variable.

Easy front side panel allows hook-up for digital camera or camcorder, and a stereo headphone jack is provided.

Allows predetermined viewing time (up to 16 hours per day) to be set in 30-minute increments with a password. Allows daily setting over 7 days.

Three video processing systems are combined with TruFlat performance to yield a dynamic synergistic field for outstanding realism.

Provides consistent volume levels throughout programming & channel changes. Eliminates annoying "blast" of sound during some commercial breaks.
