- Outer carton (L x W x H): 10 x 5.25 x 6 inch

### Packaging dimensions

- Gross weight: .64 lb
- Nett weight: .43 lb
- Tare weight: .21 lb
- Packaging dimensions (W x H x D):  
4.375 x 7.375 x 2.375 inch

SPP2306WC/I7

## Product highlights

### Power blocker

*This automatic shutdown technology senses when the device has reached capacity and automatically shuts down electricity to your equipment. It protects against subsequent surges, even if you are not present*

### 43 dB EMI/RFI noise filtration

*Built-in filtering technology ensures the best performance from your components. It guards against signal interference and loss of data. The higher the dB rating the better the noise reduction.*

### 6 child-safe outlets

*Safety slides provide a protective barrier that block the outlet so small objects cannot get in. Keeps children safer.*

### Protection indicator light

*This LED alert lights up to indicate the surge protector is working properly.*
