

68889 Fisher-Price Games Ice Cream Scoops of Fun
(Size: 8.5" x 9.5")

RTP 8 / 4 / 00

The player that spotted the matching scoop gets to "scoop" out the next flavor! Play continues until all 16 Ice Cream Scoop Cards are gone. Add up the cards in your Sundae Cup.

Winning:

The player with the most ice cream wins! Chocolate, strawberry, vanilla...what great flavors and fun!

Front Panel

Game play:

Chocolate, strawberry, vanilla...I scream, you scream, we all scream for Ice Cream! And in Ice Cream Scoops of Fun, whoever gets the most ice cream scoops wins!

Object:

Be the player with the most ice cream in your Ice Cream Sundae Cup when all of the ice cream is scooped!

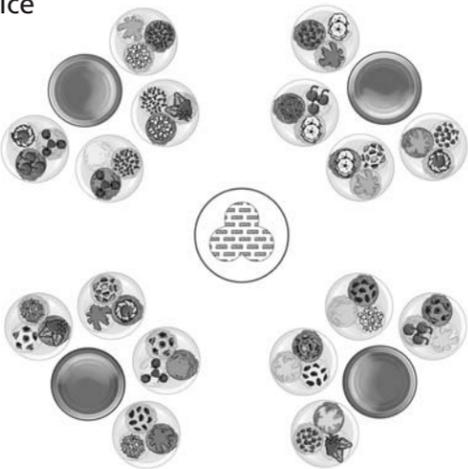

Set Up:

Level 1:

Stack the 16 Ice Cream Scoop Cards in the center of the playing area, with the toppings face down.

Each player chooses a colored Empty Ice Cream Sundae Cup and places it in front of himself / herself.

Deal out the 16 Full Ice Cream Sundae Cups evenly to each player and players can arrange them face up in front of them.

Let's Play!

Level 1:

Youngest player goes first. Squeeze the Ice Cream Scooper so it spins and lands on one of the three flavors: vanilla (cream), strawberry (pink) or chocolate (brown). (If the Scooper lands on 2 flavors, scoop again!) Yum Yum! Show the other players what flavor it is and yell out the flavor as you take the top Ice Cream Card from the stack. Put it next to the stack face up so everyone can see.

Do you have the matching scoop for the flavor shown? Everyone looks at their Ice Cream Sundae Cups to see if their toppings match that of the card. If there is a match, scream, "Ice cream!" That player gets to take the Ice Cream Scoop Card and place it on their empty Ice Cream Sundae Cup.

The player that has the matching scoop gets to "scoop" out the next flavor. Play continues until all 16 Ice Cream Scoop Cards are gone. Count the cards in your Sundae Cup.

Winning:

The player with the most ice cream wins! Don't you just want to eat them all up?

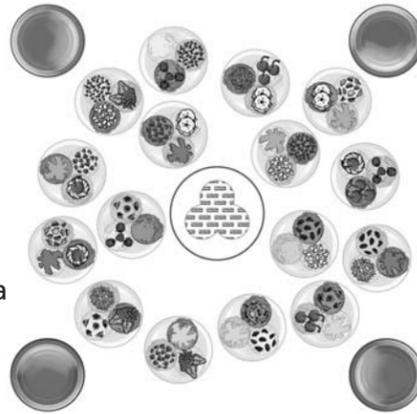

Set Up:

Level 2:

Stack the 16 Ice Cream Scoop Cards in the center of the playing area, with the toppings face down.

Each player chooses a colored Empty Ice Cream Sundae Cup and places it in front of himself / herself.

Place the 16 Full Ice Cream Sundae Cups all around the playing area in a random order for all to see.

Let's Play!

Level 2:

Oldest player goes first. Squeeze the Ice Cream Scooper so it spins and lands on one of the three flavors: vanilla (cream), strawberry (pink) or chocolate (brown). Show the other players what flavor it is and yell out the flavor as you take the top Ice Cream Scoop Card from the stack. Put it next to the stack face up so everyone can see. Then, find the corresponding scoop for the flavor "scooped" by the Scooper.

Everyone looks at all the Full Ice Cream Sundae Cups all around the playing area. Do you see the one with the matching scoop and topping? If so, point to the Cup and scream, "Ice cream!" If you're the first player to find the match, you get to take the Ice Cream Card and place it in your empty Ice Cream Sundae Cup. Don't take the Full Ice Cream Sundae Cups, but the Cards with only the 3 scoops of ice cream. And remember: save some room for more ice cream!
