GAME	OBJECTIVE	HOW TO PLAY
Limited Ammo	To tag the opposing player as many times as possible in one round from the blaster.	<ol style="list-style-type: none"> 1. Player 1 and Player 2 preload their blasters and launch the darts at the same time. 2. When all darts are launched, the blasters cannot be reloaded. The game ends when the player who has tagged his/her opponent the most wins.
Low Count	To tag the opposing player as much as possible.	<ol style="list-style-type: none"> 1. Player 1 and Player 2 preload their blasters and launch the darts at the same time until both blasters are empty. Darts which miss can be reused by either player. 2. Once a dart lands on the vest, it cannot be removed until play has stopped. 3. The tags on each vest are counted up. 4. The player with the lowest count of tags on their vest wins.
Double Duty	To tag the opposing player as much as possible using only one round of darts.	<ol style="list-style-type: none"> 1. Player 1 and Player 2 preload their blasters and stand "Double Duty," and launch their darts back-to-back. 2. Each player walks 10 paces, counting each pace out loud. 3. At the last pace, both players turn and, without moving, launch their darts at each other. 4. After the blasters are emptied, the player with the most tags on the opponent's vest wins.
Skill Shot	To accumulate as many points as possible.	<ol style="list-style-type: none"> 1. Player 1 and Player 2 preload their blasters and begin launching at the same time. 2. Darts that do not land in the numbered areas on the vests are not removed and count as zero points. Any darts that do not land on the vest at all can be reused. 3. Once all the darts have landed on the vests, the game stops. 4. The player with the highest points wins and is declared the "Skill Shot."
Immobilizer	To immobilize the opponent by landing darts on the color-coded front shoulder areas of the vest.	<ol style="list-style-type: none"> 1. Player 1 and Player 2 preload their blasters and launch the darts at the opponent's color-coded front shoulder areas as shown. 2. Once a dart lands in that targeted area, that arm is immobilized. The player cannot use the immobilized arm to load or launch the blaster. 3. The player who successfully immobilizes both arms of his/her opponent wins.
Sneak Up!	To land darts on the opposing player's back.	<ol style="list-style-type: none"> 1. Player 1 and Player 2 preload their blasters and try to sneak up and land darts on the opposing player's back. 2. Once launched the darts cannot be reused. 3. The player who lands the most number of darts on the opponent's back wins.
Accumulation	To land the darts in an agreed "Dart Zone" that the players have chosen before play begins.	<ol style="list-style-type: none"> 1. Player 1 and Player 2 agree on a common area on the vest to be the "Dart Zone" (for example: one of the numbered targets, NERF logo, etc.) Only the darts that land in the agreed area are considered the tagged area. 2. Darts that miss the agreed area cannot be reused. 3. The player with the most tags accumulated in the opponent's "Dart Zone" wins.
Point Elimination	Objective: To be the first person to reach zero.	<ol style="list-style-type: none"> 1. Player 1 and Player 2 each start with an agreed number of points (for example: 100). 2. If a player tags one of the numbered zones, the player who launched the dart subtracts the number of points from the score. For example: If Player 1 has 200 points and lands a dart on Player 2's vest in the 100-point zone, Player 1 now has 190 points. 3. Only those darts clearly tagging the numbered zones on the vest count. 4. Once tagged, a dart cannot be removed from the vest until play has stopped. 5. The first player to count their score down to zero wins.
