	WALL CONSOLE	ONE 3-BUTTON REMOTE	MOTOR AND GEARBOX†	BELT†	CHAIN†	PARTS†	ACCESSORIES†

For use with sectional doors up to 14 ft. high and one-piece doors up to 8 ft. high. Ask your Genie® Professional Dealer about the right product for your needs.** Mounting bracket is included but not shown.

STANDARD EQUIPMENT

DC Motor Technology

Quiet yet powerful 3/4 HPc* Power Plus DC motor operates with minimal noise.

Speed

Powerhead has a maximum opening speed[§] of up to 9.0 inches per second.

Quiet Operation

Belt drive provides smooth and quiet operation, perfect for room adjacent garages that demand quiet. Chain drive also available.

GenieSense™ Monitoring and Diagnostic Technology

Delivers the power needed at every movement of the garage door and continuously monitors the operation of the door, stopping operation when significant changes occur. These features minimize noise, wear and tear on the door, and improve overall safety.

Intellicode® 2 Access Security System

The system features our superior encryption technology that prevents piracy of the radio signal that opens your door by selecting a new code from billions of combinations.

Motion-Detecting Lighting System

Integrated motion detector provides added convenience and security to the two 100 Watt bulb lighting system.

Auto Seek Dual Frequency

System will automatically seek either the 315 or the 390 frequency produced by a remote, helping to ensure opener will respond regardless of nearby frequency interference.

Safe-T-Beam® System

When objects pass through the infrared beam, the door automatically stops closing, and then reverses. The system's self-diagnostic functions alert homeowners of misalignment or damage.

Automobile Convenience Features

Compatible with both HomeLink® and Car2U® systems.

PROFESSIONAL LINE

CONVENIENCE OPTIONS

Enjoy your new Genie® garage door opener to the fullest with these optional accessories.

Wireless Keypad

Lighted keypad features a flip up cover and lets you control up to three garage door openers. Flip up cover is available in four colors ensuring you can find the one that best complements your home.

White Gray Tan Almond

Three Button Remote

This remote features a sleek and compact design and has a low battery light indicator. It comes with a visor clip and can be used with a key ring.

DEALER SERVICES

Installation and Regular Maintenance

Ensure that your garage door system operates at peak performance by asking your Genie® Professional dealer about installation, routine system maintenance and other professional services offered.
