<sup>1</sup>depending on type of mobile phone

# CC 9040

## Further details

The CC 9040 is an elegant installation hands-free car kit. The only things visible in the car are the microphone and the remote control (and possibly an additional speaker). The electronic box is installed behind the interior fittings of your vehicle. Thanks to the integrated *Bluetooth* module, you can also make telephone calls without having to fetch your mobile phone.

### Scope of delivery

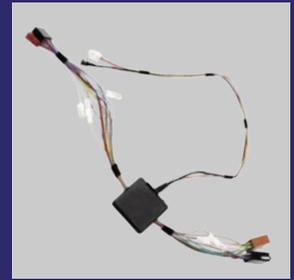

Electronic box

Illuminated 3-key remote control

External microphone

Switch box

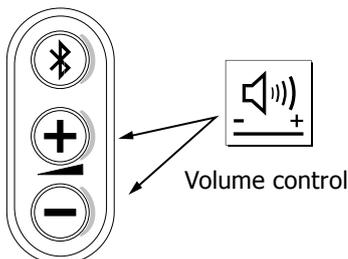

**VERY  
CONVENIENT  
HANDLING**

### Functions of the remote control keys

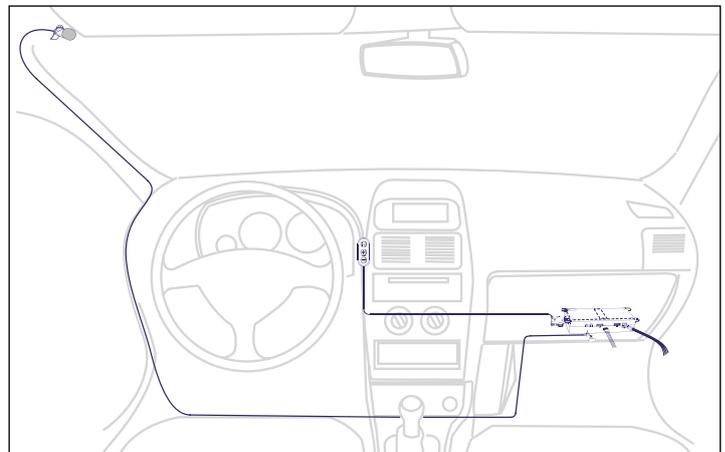

*Bluetooth*® key
