⚠ WARNING: PHOTOSENSITIVITY/EPILEPSY/SEIZURES

READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.

A very small percentage of individuals may experience epileptic seizures or blackouts when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or when playing video games may trigger epileptic seizures or blackouts in these individuals. These conditions may trigger previously undetected epileptic symptoms or seizures in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition or has had seizures of any kind, consult your physician before playing. IMMEDIATELY DISCONTINUE use and consult your physician before resuming gameplay if you or your child experience any of the following health problems or symptoms:

- dizziness
- altered vision
- eye or muscle twitches
- loss of awareness
- disorientation
- seizures
- any involuntary movement or convulsion

RESUME GAMEPLAY ONLY ON APPROVAL OF YOUR PHYSICIAN.

Use and handling of video games to reduce the likelihood of a seizure

- Use in a well-lit area and keep as far away as possible from the television screen.
- Avoid large screen televisions. Use the smallest television screen available.
- Avoid prolonged use of the PlayStation 2 system.
 - Take a 15-minute break during each hour of play.
- Avoid playing when you are tired or need sleep.

Stop using the system immediately if you experience any of the following symptoms: lightheadedness, nausea, or a sensation similar to motion sickness; discomfort or pain in the eyes, ears, hands, arms, or any other part of the body. If the condition persists, consult a doctor.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation 2 system to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

HANDLING YOUR PLAYSTATION 2 FORMAT DISC:

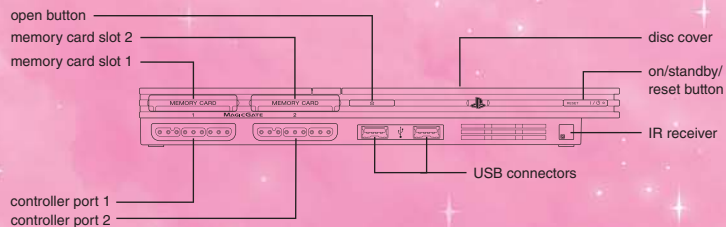

- This disc is intended for use only with PlayStation 2 consoles with the NTSC U/C designation.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

Getting Started

Set up your PlayStation®2 computer entertainment system according to the instructions supplied with your system. Check that the system is turned on (the on/standby indicator is green). Insert the DISNEY PRINCESS: ENCHANTED JOURNEY disc in the system with the label side facing up. Attach game controllers and other peripherals as appropriate. Follow the on-screen instructions and refer to this manual for information on using the software.

Memory Card (8MB) (for PlayStation®2)

To save game settings and progress, insert a memory card (8MB) (for PlayStation®2) into MEMORY CARD slot 1 of your PlayStation®2 system. You can load saved game data from the same memory card or any memory card (8MB)(for PlayStation®2) containing previously saved games.

Starting Up

DUALSHOCK®2 ANALOG CONTROLLER CONFIGURATIONS

Parental Tips

1. To start the game, refer to page 2 of the manual.
2. In this game, your child can play in Single Player mode, or with a friend in Two Player mode, as she journeys into the kingdoms of four Disney Princesses.
3. When the memory card is inserted, the game will autosave whenever your child sees the memory card icon. In order to load a previously saved game, select Load Game from the Main Menu.
4. Press the **△ button** to interact with people. Press the **□ button** to cast magic. The **○ button** will perform a magic twirl. Use the **× button** to jump. To move, use the **left analog stick** or the **directional buttons**.
5. To customize your character, find the shirt icon in the castle of Gentlehaven.
6. The Princess levels are organized by difficulty. Ariel's kingdom is the easiest, followed by Jasmine's and Cinderella's. Snow White's kingdom is the most difficult.
7. You can journey to any Princess world at any time, but you have to play the chapters in order. To venture into another Princess's kingdom, press the **START button**, then choose Return to Castle from the Menu.
8. If you get stuck, the Pixie will assist you with reminder messages, so pay close attention to what she may have to tell you.
9. In case you get lost, just look for the path of gems. Those will lead you in the right direction.

Once Upon a Time...

...The evil witch Zara and her mischievous Bogs invaded the kingdoms of Cinderella, Ariel, Snow White and Jasmine and stole their Time, Sound, Color and Trust.

The Disney Princesses now need your help! Playing as your own adventurous customizable heroine character, you must enter each world and restore their kingdoms before they are changed forever.

Be careful! Each world is full of challenges and mischievous villains. Only your magic wand and your good sense will see you through.

Restore the Magical Kingdoms

Help restore the kingdoms of Cinderella, Ariel, Snow White and Jasmine with three enchanting modes of play.

- ⦿ One Player – Journey through the many worlds of your favorite Disney Princess and use your magic to restore Time, Sound, Color and Trust.
- ⦿ Two Player – You and a friend can join forces and save the Disney Princess kingdoms from the Bogs together.
- ⦿ Mini-games – Challenge your skills with lots of fun mini-games found throughout the many Disney Princess kingdoms.

6

The Adventure Begins

To begin your adventure, go to the Main Menu.

On the Main Menu, select New Game to start a new adventure. Once a new adventure has been chosen, choose to play One Player or Two Player. Two Player can only be selected if two controllers are plugged in.

Choose Load Game to play a previously saved adventure.

The next screen is the profile screen. If starting a New Game, select an empty slot to begin your quest. Once an empty slot has been selected, the game will begin. After the opening cinematic, you will be prompted to enter a name.

7

Your Heroine

Guide your own heroine on her quest to save the Disney Princess kingdoms.

The Call to Adventure

One day, a Pixie will come to the Kingdom of Gentlehaven to alert you of the problems facing your favorite Disney Princesses.

Customize Your Character

Before you go, you will be given the chance to create your very own heroine character. Choose from a range of dress colors, hair colors, skin tone, eye colors, accessories and more!

The Magic Wand

The Pixie will also give you a magic wand that will aid you in your adventures to restore each Disney Princess kingdom.

Hint: Use your wand to fend off evil Bogs or cast magic.

Basic Movement

Walk – Use the **left analog stick** to walk.

Jump – To jump, press the **⊗ button**.

Interact – Press the **△ button** to talk with people and interact with various objects.

Cast Magic – Press the **□ button** to fend off villains with your magical wand. Press and hold the **□ button** for two seconds and then release it to create a blast of magic!

Magic Twirl – Find hidden treasures or use your magic by pressing the **◎ button**.

Push/Pull Objects – Need to move a cart? Press the **△ button** to grab the cart and use the **left analog stick** to move it around.

Ledge Grab – When you walk off of a platform or misjudge a jump, you will automatically grab the ledge and pull yourself up. If you want to jump up a ledge, get close and press the **⊗ button** and you will automatically grab the ledge and pull yourself up.

The Castle of Gentlehaven

The castle of Gentlehaven is your hub to a magical adventure. In it you will find portals to all of the Princesses' kingdoms.

To access each kingdom, enter the painting found in each Princess's alcove. The Pixie will show you where they are.

Each Princess has three chapters. You can finish one chapter or complete all three before moving to the next Disney Princess kingdom. Remember, you can visit any Disney Princess kingdom in any order you choose.

After each chapter, you'll re-enter the castle of Gentlehaven. To continue your adventures in the same kingdom, go back to the painting and press the **X** button. To visit the kingdom of a new Disney Princess, go to her alcove.

Hint: The best place for new players to start is in Ariel's kingdom.

Create Your Own Character

Before your journey begins, the Pixie will guide you through the process of creating your very own adventurous character.

Customize her dress, hair, eyes, skin tone and shoes. Or, add a variety of unique accessories, such as earrings, hats or bracelets.

Hint: You can find the character customization screen in the bedroom of Gentlehaven castle, behind the shirt icon.

Save the Disney Princess Kingdoms

Cinderella's Kingdom – It will take all of your courage to repair Cinderella's Clock Tower and restore Time to her kingdom.

Ariel's Kingdom – Only love will conquer the Bogs' magic and return Sound to Ariel's world.

Snow White's Kingdom – Work closely with your new friends to return Color to Snow White's land.

Jasmine's Kingdom – Restore Trust to Jasmine's kingdom by dispelling all the Bog mirages.

Hint: Listen to your Pixie if you need help. She will help you save the kingdoms from the Bogs.

Cinderella's World

The mischievous Bogs have stopped Time. You must help Cinderella restore Time and keep her wedding on schedule.

Use your magic wand to unfreeze people, animals and objects.

Use your courage to help Cinderella restore Time to her kingdom so she can have her fairy-tale wedding.

Hint: Pay attention to Jaq and Gus. They'll teach you what you need to know.

Ariel's World

The nasty Bogs have stolen Sound from the underwater kingdom of Ariel. Only you can help her return harmony to the kingdom.

With your magical wand in hand and love within your heart, you can bring music back to Ariel's world...

...but only the removal of the Bogs' magic will save the kingdom.

Hint: Use your magic twirl to make sea anemones hide or chase schools of fish. Watch the schools of fish swim away as you approach.

Snow White's World

Help! The Bogs have used their Bog magic to steal Color from Snow White's kingdom.

Only your cleverness and the Dwarfs' teamwork can overcome the Bogs and bring the missing Colors back to the land.

Hint: Press the © button while standing in the Color circles to change your wand's Color. Use that new Color to fill in the world.

Jasmine's World

In Jasmine's world, the people see gold wherever they look. But is it real?

Work with Jasmine and Abu to turn mirages back to normal...

...and restore Trust to the kingdom.

Hint: Don't forget to use your wand to get rid of all of the gold mirages, or make the camels kneel down.

The Pixie Magic Meter

The Pixie is your protector. Each time you are hit by Bog magic, the Pixie Magic Meter will drop.

When the Pixie Magic Meter nears the bottom, it will automatically be restored, allowing you to continue on your adventures.

Hint: You will see the Pixie Magic Meter if you get hit. You can also bring it up by pressing the **SELECT** button.

Magic Wand

Your wand is extremely powerful. Use it to...

- ...turn Bogs into butterflies
- ...dispel Bog magic and restore the world back to its original state
- ...create powerful magic to fend off enemies
- ...find secret treasures throughout the worlds

Hint: To use your wand, press the **○** button.

Play with a Friend (Two Players)

You and a friend can play together at the same time! Just connect a second controller to the console.

Work together to defeat the Bogs, solve puzzles and restore the Disney Princess kingdoms.

You can start with two players before the game begins. Just select Two Player after starting a New Game. Or, to access Two Player mode at any time with a second controller and press the **⊗** button.

Player 2 can leave the game by pressing the **START** button and selecting Remove Player 2.

Autosave

Autosave

If your memory card is inserted, your adventure will automatically be saved as you progress in the game. Each time you move past a key event, a memory card icon will appear on screen to let you know that your adventure is being saved.

Loading a Saved Game

To load a saved game, select Load Game from the Main Menu. When the Profile screen appears, choose the game you want to load.
