

# RCA

## E13342

13" (Diagonal) Portable Bedroom Television with Rear AV Inputs

### Features

### Benefits

High Contrast Picture Tube

Increases contrast under bright room conditions.

On-Screen Clock, Sleep, and Wake Timers

TV can be programmed to turn on or turn off at preselected time periods for added convenience. Wake up to your favorite morning show.

Trilingual On-Screen Display

The on-screen menus can be viewed in English, French, or Spanish.

Rear Audio/Video Input

Provides direct audio and video connections for other components such as a game system, digital camera, VCR, etc.

NITEglo™ Back-Lit Remote with Sleep Timer Button

Back-lit controls make nighttime viewing easy to control TV volume, channel scanning, mute, and sleep timer.

Front Panel Lock

Allows disabling of front panel controls to prevent small children from changing settings.

Commercial Skip

Keeps track of time as you surf other channels during program breaks. TV automatically returns itself to your original channel when timer counts down to zero.
