

4-Position Listening First™ Listening Center

Model 1114YL-4

- Ideal for Itinerant Teachers and situations requiring portable equipment with quality sound. Can be used for Listening Centers, ELD / ELL / Title 3 / Special Education applications, Language Labs and Computer Labs with high student to computer ratios.
 - Rugged ABS plastic construction for safety and durability in high-use situations
 - PC and Apple compatible
1. Four **Listening First™** headphones whose features include: Adjustable headband, permanently attached cord with reinforced connection, lengthy 10' straight cord with right angle plug to reduce accidental pull-out, ambient noise-reducing earcups keep students on task and lower outside noise.
 2. Protective slotted baffles within the earcups prevent accidental damage from prying fingers & foreign objects.
 3. **Mini Stereo Jackbox** features include: Silver-plated contacts prevent "crackling" sounds, individual volume controls, skid-resistant pads at each corner won't mar or scrape surface, 3.5mm stereo plug with detachable 6' patch cord (not shown) connects with media players.

This bright and fun-colored Listening Center will encourage your students to participate in learning activities. Designed for use by smaller sized students, these headphones and jackbox will help inspire learning!

"Project Intercept"
