

Plantronics 1.9-GHz Wireless Office Headset System

Clear 1.9-GHz communications
at distances of up to 300 feet.

FEATURES

- Uses the 1.9-GHz voice-dedicated frequency for optimal clarity. The less-crowded frequency means you don't have to worry about interference from nearby Wi-Fi networks and other wireless devices operating in more common frequencies.
- Includes an extended boom and noise-canceling mic that makes it ideal for use in areas with lots of background noise.
- Enables you to move up to 300 feet (91.4 m) from your desk during a call.
- One-step remote answering.
- Eight hours of battery talk time.
- Optional Handset Lifter (HL10) available.
