Stereo Ear Hook Style Headphones with In-line Volume Control

Using Your iHome Ear Hook Style Headphones

The earpieces are marked “L” and “R”. Place the “L” earpiece in your left ear and the “R” earpiece in your right ear for proper fit and best sound. If the earpieces are inserted incorrectly they will not fit properly in your ears and the sound quality will not be satisfactory. Place the ear hooks over your ears as shown. The ear hooks have two adjustment points for maximum comfort.

Connect the headphone plug to the headphone jack of your music player. Be sure that the plug is fully inserted into the jack. If the plug is not fully inserted you may only hear sound from one earpiece.

To protect your hearing, always start listening with the In-Line Volume Control set to a low level and gradually increase the volume to a comfortable listening level.

Note: You may have to adjust the volume control on your music player as well as the In-Line Volume Control on your headphones to find the most satisfactory sound level. If one control is set too low and the other is set too high, the sound may be distorted. Try setting the volume control on your music player halfway between the Min and Max settings, and then use the In-Line Volume Control on your iHome headphones to make final adjustments.

IMPORTANT! Listening at high volume for long periods of time can result in long-term hearing damage. For your safety, do not use headphones if they would prevent you from hearing warning sounds, such as while driving a car or motorcycle, riding a bike, etc.

NOTE: In extremely cold or dry air conditions you may notice a slight ‘tingling’ feeling in your ears when using in-ear headphones. This is the result of the build-up of static electricity in your body. This is normal and not an indication of any problem with your headphones.

Limited 2 Year Warranty

iHome Products, a division of SDI Technologies Inc. (hereafter referred to as SDI Technologies), warrants this product to be free from defects in workmanship and materials, under normal use and conditions, for a period of 2 years from the date of original purchase.

Should this product fail to function in a satisfactory manner, it is best to first return it to the store where it was originally purchased. Should this fail to resolve the matter and service still be required by reason of any defect or malfunction during the warranty period, SDI Technologies will repair or, at its discretion, replace this product without charge (except for a \$2.00 charge for handling, packing, return UPS/postage, and insurance). This decision is subject to verification of the defect or malfunction upon delivery of this product to the Factory Service Center listed below. The product must include proof of purchase, including date of purchase. The fee for service without proof of purchase is \$4.00.

Before returning this product for service, please first replace the batteries (if applicable) with fresh ones, as exhausted or defective batteries are the most common cause of problems encountered.

If service is still required:

1. Remove the batteries (if applicable) and pack the unit in a well padded, heavy corrugated box.
2. Enclose a photocopy of your sales receipt, credit card statement, or other proof of the date of purchase, if within the warranty period.
3. Enclose a check or money order payable to the order of SDI Technologies, for the sum of \$2.00 (\$4.00 without proof of purchase).
4. Send the unit prepaid and insured, to the Factory Service Center listed below.

Disclaimer of Warranty

NOTE: This warranty is valid only if the product is used for the purpose for which it was designed. It does not cover (i) products which have been damaged by negligence or willful actions, misuse or accident, or which have been modified or repaired by unauthorized persons; (ii) cracked or broken cabinets, or units damaged by excessive heat; (iii) damage to digital media players, CD's or tape cassettes (if applicable); (iv) the cost of shipping this product to the Factory Service Center and its return to the owner.

This warranty is valid only in the United States of America and does not extend to owners of the product other than to the original purchaser. In no event will SDI Technologies or any of its affiliates, contractors, resellers, their officers, directors, shareholders, members or agents be liable to you or any third party for any consequential or incidental damages, any lost profits, actual, exemplary or punitive damages. (Some states do not allow limitations on implied warranties or exclusion of consequential damages, so these restrictions may not apply to you.) This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Your acknowledgement and agreement to fully and completely abide by the above mentioned disclaimer of warranty is contractually binding to you upon your transfer of currency (money order, cashier's check, or credit card) for purchase of your SDI Technologies product.
