Cordless FM Stereo Headphone

SBC HC800

Top-of-the-range and unmistakably Philips

Everything about the SBC HC800 is unmistakably Philips. From its trendy styling, superb performance and the kind of quality finish you'd expect from an 'A' brand company, this top-of-the-range cordless FM headphone has it all.

Ergonomically shaped ear-cushions that embrace the ears fully for maximum sound performance. Special material used in the ear-cushions to ensure luxurious wearing comfort. A self-adjusting inner headband with Air-flow for cool wearing comfort, and a 2nd headband that ensures a flexible, very comfortable fit. The performance is superb thanks to 40 mm Neodymium speakers. And with features like auto tuning for ease of use, Automatic Level Control for optimum signal reception and Auto Mute for noise-free operation, the SBC HC800 leaves nothing out. Of course, as with all Philips cordless FM headphone models, the SBC HC800 offers unlimited freedom of movement up to 100 meters from the music source while maintaining perfect sound quality throughout, thanks to Philips innovative interference-free RF technology.
