Product highlights

Lightweight design

The durable, lightweight quality materials enhance comfort for extended wearing.

Self adjusting inner headband

The inner headband makes it easy to obtain a perfect fit for your head. The mechanism adjusts automatically for comfort.

High-frequency modulation

Using very high frequency modulation(RF) for the transmission link ensures sharp clear reception.

Automatic Level Control (ALC)

This smart electronic circuit ensures that the audio input level is automatically adjusted to the right level, preventing distortion and preserving your listening enjoyment.

IR wireless transmission

IR wireless transmission allows you to be free from the hassles of cables.

Rechargeable system

The headphone set incorporates facilities for recharging the batteries.
