Cordless FM Stereo Headphone

SBC HC450

Compact, convenient, and very stylish!

Music lovers who like the convenience of cordless technology and the comfort of in-earphones now have the best of both worlds with the SBC HC450 from Philips Accessories. Easily one of the most stylish models around, this new cordless FM stereo headphone system comprises a compact in-earphone with built-in receiver and very chic-looking RF transmitter. Both use Philips' innovative, interference-free technology to ensure that the wearer has unlimited freedom of movement up to 100 meters from the music source. Excellent sound performance is provided by the in-earphone's turbo acoustic system and Neodymium speakers. The in-earphone case is pocket-sized for easy carrying, and features a push-button automatic cable winder for easy storage when not in use. Other features include Automatic Level Control for optimum signal reception, and Auto Mute for noise-free operation. And if you like you can attach your favourite corded headphone to the in-earphone's stereo jack, so you really have the best of both worlds! The SBC HC450 is rechargeable and includes rechargeable batteries and AC/DC adaptor.
