- EAN 87 10101 348 674

Inner carton

- Quantity 3 pieces
- Dimensions (mm) 385 x 298 x 260
- EAN 87 10101 95 611 4

Outer carton

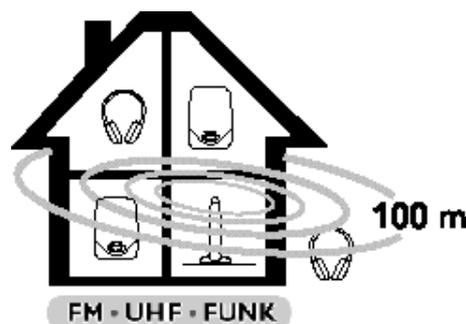

- Quantity 12 pieces
- Dimensions (mm) 620 x 370 x 550
- Weight (kg) 17.8
- EAN 87 10101 95 609 1

- Country of origin China

Top marks in performance, comfort and styling

Consumers love the sheer wearing comfort provided by the SBC HC630's full-size ear-cushions and adjustable double headband. They love the superb sound quality that this model gives. And they love being able to move around freely for up to 100 meters from the music source, thanks to the headphone's ability to receive stereo FM signals through walls and windows without any loss in quality.

The SBC HC630 can be re-tuned (within a frequency band of 433.2 MHz to 434.7 MHz) in case of any radio interference. It has Automatic Level Control and Mute for optimum, noise-free sound performance. It comes supplied with its own stylish transmitter stand, a built-in recharge facility and rechargeable batteries. And it boasts a very attractive price tag. No wonder consumers give it top marks.
