

# PX 100-II

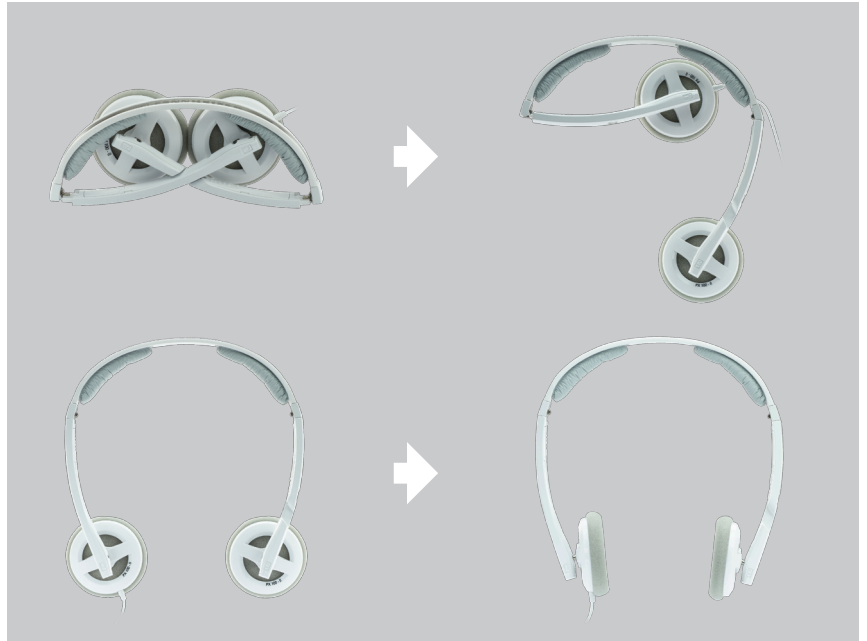

The PX 100-II on-ear mini headphones let you enjoy your favorite tracks at any time with the sound quality you would expect out of a high-end home hi-fi setup. Their Open-Aire design delivers the most natural sound reproduction on-the-go. These robust, steel-reinforced headphones feature a unique fold-and-flip design for easy storage.

## Features

- Open-Aire design provides the most natural sound reproduction
- Advanced Duofol™ transducer system pumps out rich, lifelike audio
- Single-sided cable eliminates tangles
- Steel-reinforced headband enhances durability
- Fold and flip design collapses for compact travel
- Convenient carrying pouch included
- Optimized for portable audio – including MP3 players, iPod, iPhone, netbooks and other electronics with a headphone plug
